

Student RESEARCH OPPORTUNITIES with global impact

The Atmospheric, Earth, and Energy Division at Lawrence Livermore National Laboratory offers undergraduate and graduate students the opportunity to engage in practical research experience to further their educational goals. A wide range of geoscience and atmospheric science projects are available.

Applications for summer 2021 will be accepted from December 7, 2020, to February 28, 2021.

Visit <https://www.llnl.gov/join-our-team/careers> and type "REF362G" for our Undergrad posting, or "REF363O" for Graduate opportunities into the search box to learn more about the position.
